We will meet again... cuppa for a friend card

Designed by www.ruralcoffeecaravan.org.uk

Cut around this tea-cup bowl shape and flaps, fold the flaps inwards and glue them to the printed and cut out card template, leaving the top of the tea-cup open.

Once the glue has dried and your card is assembled tuck your chosen tea-bag inside, pop in an envelope, and gift to a friend to enjoy til you can next share one together.

We'd love to see your results! Take a photo of your assembled card, or one you have received, and share your picture to the Rural Coffee Caravan Cascade of Kindness Facebook Group page!
